

1. Două acțiuni se desfășoară în același timp

I was playing and he was learning

They were singing and the audience was listening

2. În timp ce o acțiune se desfășoară cealaltă își face prezența

While I was playing my Mother called me

The car ran into the bus while I was watching it

3. Două acțiuni își fac prezența simultan

The teacher came in and we said hello

I took it and he thanked me
